SILVER STAR
MAY 1884

San Bernardino, Cal.,
March 31, 1884

Dear Sir

I have pleasure in
sending by this mail, ^{to Medford,} a
package of *Notholaena* ferns,
of both forms: some from
Colorado Desert, & some from
this place. It has been
a most uncommon season
for ferns, &c. as it has been
so wet & cloudy. Not one
year in ten is so favorable.

If I can serve you by
sending, later, further examples,
I will be happy to do so.

Yours Very Truly
W. G. Wright
