

BROWN UNIVERSITY  
DEPARTMENT OF BOTANY.

W. WHITMAN BAILEY, A. M.,  
Professor.  
J. FRANKLIN COLLINS, B. P.,  
Curator of the Herbarium.  
HAVEN METCALF, A. B.,  
Instructor.

PROVIDENCE, R. I., April 5 1898

My Dear Deane,

Mrs Bailey is much  
tricked and thanks you for your  
kindness. Yes; I was when very  
ill last Friday noon - and had  
to telegraph Dr Kennedy that I  
could not keep my appointment,  
too bad, Collins failed him too,  
But now the good doctor writes  
that he too was unwell - and it  
things perhaps resulted for the best.

I am deeply interested in the new  
Journal, he ought to get 20  
subscribers here; my fund now  
amounts to \$1054, I have turned  
over \$1000 to the University Treasurer,

Very anxious about Townsend's doing  
in Washington, I am not a pease  
at any price now!

When a man comes and kills  
my son on my own doorstep, in  
broad daylight - I am not disposed  
to beat him gently - or try his powder

or except dollars for it, If I am  
on hand, I shall go for him there  
and then, despite Pope, priest, or  
Mr. Stuart Phelps, The police  
may even present me, 'Jingo!' Well  
if this be jingoism — or Solidari-  
anism (notice the politico-botany)  
make the most of it!

Yours ever  
W. W. Bailey
