

Providence - Sep 22, 1911

Dear Deane,

I spent an hour or so
this morn in the Herb with Dr
Tah, the new incumbent. He is very
likely to join our little party In-
dust next, going down with the train
here. I don't know where Collins is.

It is very hot here today & I have
resumed thin clothing. - Though I have
a bad cold, I think Tah, on the whole,
will pan out well, but it takes more
than one morn to turn a botanist.

Tuesday next, the 26th when
is the day - 10.30 A.M. the hour,
I won't the station, but get round
tickets.

Yours ever

W. W. Bailey
