The entire lot in the order  
in which they are to be  
published.

If you find references to  
books to which you have  
not access please return  
those slips by mail and I  
will see if I can get them  
worked up in Washington.

We would like the specimens  
slips first ~~but~~ as the printers  
will begin with them we would  
like to have all the MSS  
however so we can put  
it in the printers hands

I do not see how I  
shall ever be able to repay  
you for all this extra work.  
Yours very truly  
J. Lloyd
