

INTERNATIONAL HOTEL,

ON THE EUROPEAN PLAN,  
17 AND 19 PARK ROW.

New York, Feb. 27 1890

My Dear Deane:

I congratulate you upon the *Carex Fraseri*. It is a good haul. What a curious plant it is!

I was on the Pocono Mountain yesterday, and I thought of Porter and his collections there. *C. hirta* var. *gracilis* grows there.

Moreng is very thoughtful of me. He sends me some interesting notes on the edible plants of the country.

Yours  
Bailey
