

Ithaca, N. Y., Nov. 5 1890

My Dear Deane:

I will send you a duplicate
of every one of my career papers just as
fast as I get them. The Cal. paper will
be issued before Jan., I expect, and I
have asked for extras. If I don't get
extras from Journal of Botany soon I
will send another remittance for
two copies of the journal.

I never heard of Drake and Dickson
of Oregon before.

Never so busy in my life. Work is
mountain high and still growing!

Yours truly
L. H. Bailey
