My Dear Deane:

Yours of the 2nd is just here  
& it did me good. I am alright now,  
altho' I have got to lie here over a  
week yet. I'll make things rather  
when I get up. I had a nice

Vacation all planned for Venezuela and  
Demerara was to have sailed about the  
1st of June, but must give it up now. I  
am taking my vacation here!

I have had the best of skill and care.  
We telegraphed to N.Y for one of the best  
Surgeons, & 3 Surgeons & 2 trained  
nurses performed the operation.
