My Dear Deane:

I suppose that you are happy now that you are in the country again. I wish I were with you for a few days.

I am taking vacation in riding about the country. The other day I rode 40 miles through a charming hill country, and the last of the week I expect to drive to Geneva and back, about 100 miles.

We are all well. I am still sore and not very lively, but I am gaining.

You ought to come to Rochester to the meeting of A. A. A. S. Mrs. B. & I expect to go.

Yours truly

L. H. Bailey
