

L. H. BAILEY, PROFESSOR OF HORTICULTURE.

E. G. LODEMAN, INSTRUCTOR IN HORTICULTURE.

MICHAEL BARKER, GARDENER.

Ithaca, N. Y.,

July 17 1895

Dear Deane:

Dear me! There goes my  
index again! Look on p. 98 for your  
Canaryvine.

Your Hemerocallis is H. flava. It  
is fruiting heavily in my garden, but  
the other never does.

Poor Akebia! I am losing all  
respect for the book. Yes, punctua-  
tion is wrong. I shall charge half  
of that to Barnes!

What a treasure your aunt-  
must be!

Mrs. Bailey keeps up the record  
of the house. Took her off to a san-  
tarium yesterday. She has been  
half sick for a month. It breaks

me all up. Her sister is here,  
Dick Ober, and one of the babies  
has been sick. The Bailey family  
likes variety.

Yours, on a gold basis,  
L. H. Bailey.
