L. H. BAILEY.

Ithaca, N. Y., Jan 6. 1896

Dear Deane:

I could not name the bug
which you mentioned.

The shape & color of spike & size of
perigynium are important
features in *Scoparia* v. *minor*. But
I am not at all sure that my naming
of your plants is just. I am going to
revise the species shortly. L. H. Bailey
