PARTICULAR PATRIOTISM

CHAPTER I

CHARACTER OF PATRIOTISM

THE word patriotism is derived from the Greek words *patria* (fatherland) and *timos* (honour). It signifies a love for one's country and a desire to promote its interests and glory.

CHARACTER OF PATRIOTISM

Patriotism is a sentiment which binds the people of a country together and makes them feel that they are members of a common body. It is a feeling of loyalty and devotion to one's country.

Patriotism is not a narrow sentiment which is confined to the interests of a particular class or party. It is a broad sentiment which embraces the interests of the whole country. It is a sentiment which is based on a sense of duty and responsibility.

Patriotism is a sentiment which is based on a sense of duty and responsibility. It is a sentiment which is based on a sense of duty and responsibility.
