

## INDEX

- Acachmena*, 205  
*Acer pycnanthum*, 284  
*Adina polycephala*, 73  
 Aestivales, 410  
*Agonolobus*, 205  
 Alismaceae, 3  
*Alliaria*, 216, 218–221  
   — *alliaria*, 219  
   — *brachycarpa*, 218, 219  
   — *officinalis*, 21  
   — *petiolata*, 215, 218–220  
*Allium*, 218  
*Alnus*, 362  
 AL-SHEHBAB, IHSAN A. *Cardamine dissecta*, a New Combination Replacing *Dentaria multifida* (Cruciferae), 81–84  
 AL-SHEHBAB, IHSAN A. The Genera of *Anchonieae* (Hesperideae) (Cruciferae; Brassicaceae) in the Southeastern United States, 193–212  
 AL-SHEHBAB, IHSAN A. The Genera of *Arabideae* (Cruciferae; Brassicaceae) in the Southeastern United States, 85–166  
 AL-SHEHBAB, IHSAN A. The Genera of *Sisymbrieae* (Cruciferae; Brassicaceae) in the Southeastern United States, 213–237  
 AL-SHEHBAB, IHSAN A., and REED C. ROLLINS. A Reconsideration of *Cardamine curvisiliqua* and *C. gambellii* as Species of *Rorippa* (Cruciferae), 65–71  
*Amethystanthus*, 291  
   — *excisus*, 318  
   — *glaucocalyx*, 307  
   — *inflexus*, 303  
   — *japonicus*, 306  
   — *lasiocarpus*, 305  
   — *longitubus*, 310  
   — *macrophyllus*, 317  
   — *racemosus*, 377  
   — *serra*, 305  
   — *stenophyllus*, 300  
   — *taiwanensis*, 384  
   — *websteri*, 302  
*Ammosperma*, 228  
*Anchonieae* (Hesperideae) (Cruciferae; Brassicaceae) in the Southeastern United States, The Genera of, 193–212  
*Anchonium*, 193, 195  
*Anelsonia*, 88  
 Annonaceae, 278  
*Antidesma sphaerocarpum*, 185  
*Arabideae* (Cruciferae; Brassicaceae) in the Southeastern United States, The Genera of, 85–166  
*Arabidium*, 129  
*Arabidopsis*, 214, 218, 227–232  
   — *bursifolia*, 228  
   — *esepitata*, 228  
   — *griffithiana*, 229  
   — *korshinskyi*, 229  
   — *parvula*, 228  
   — *pumila*, 229  
   — *salsuginea*, 228  
   — *suecica*, 228, 229  
   — *thaliana*, 215, 216, 228, 229  
   — *toxophylla*, 229  
   — *wallichii*, 229  
*Arabis*, 86, 88, 91, 112, 129–143, 151, 228  
   — *aculeolata*, 135, 136  
   — *alpina*, 130, 134, 136, 137  
   — *brassica*, 136  
   — *bulbosa*, 94  
   — *burkii*, 132  
   — *canadensis*, 87, 132  
   — *caucasica*, 136, 137  
   — *ciliata*, 131  
   — *conringioides*, 136  
   — *constancei*, 135  
   — *dentata*, 133  
   — — var. *phalacocarpa*, 134  
   — *divaricarpa*, 135, 136  
   — *douglassii*, 94  
   — *drummondii*, 135, 136  
   — *falcata*, 132  
   — *georgiana*, 133, 135  
   — *glabra*, 130, 131, 134–136  
   — — var. *furcatipilis*, 131  
   — — var. *glabra*, 131  
   — — var. *pseudoturritis*, 131  
   — *halleri*, 135  
   — *hirsuta*, 131, 135, 136  
   — — var. *adpressipilis*, 131  
   — — var. *eschsoltziana*, 131  
   — — var. *glabrata*, 131  
   — — var. *pyncocarpa*, 131  
   — *holboellii*, 135, 136  
   — *laevigata*, 132, 133, 135, 136  
   — — var. *burkii*, 132  
   — — var. *laevigata*, 132  
   — — var. *missouriensis*, 133  
   — *ludoviciana*, 143  
   — *lyallii*, 135  
   — *lyrata*, 87, 132  
   — *microphylla*, 135

*Arabis missouriensis*, 132, 133, 135  
 — — var. *deamii*, 133  
 — *modesta*, 135, 136  
 — *oregana*, 135, 136  
 — *ovata*, 131  
 — *patens*, 133, 135
