THE BOTANIC GARDEN OF SMITH COLLEGE,  
NORTHAMPTON, MASS., U. S. A.

Oct 3/99

Dear Mr. Drane -

Once more I am  
going to trouble you for aid, and this  
time, since this is not a long job,  
without asking you if you will  
help. I am sending a little  
package yesterday with this  
containing a few plants that I  
am doubtful about - I think I  
know them all, but want the  
certainty. I shall be sincerely  
obliged if you will give me  
your opinion upon them and  
return marked collect.

I had a good time on  
the marshes this summer,  
and am now going to bring  
my results into shape, and  
they will be published this

With respect - and you will  
see results of course. I hope  
all goes very well with you.

Sincerely yours  
Wm J. Gannaway
