

1 Salem Tuesday
Jan 18. 76

Dear Mr. Davenport.

The more I
think of it the more I am
convinced, that the
brown backed "Parryi" at
Mr. M's is "*Ch. lanuginosa*"
I have specimens from Dubuque
exactly like it & yesterday
in the "*Plants of Colorado*" I
saw it grew near where

waiting, some of them true grass
for time - What a large number
you have sent me, I think you
are very kind when I look them
over I realize it -

I am
Hope you are well

Very truly

John Johnson

Mr W's specimens
came pure - What
do you think about
it? -

I have been busy on
my ferns at home
and the "E. Co." plants
at the Academy so
am well occupied -
Nearly all my ferns
are mounted in my
coll. that have been

Robinson, John. 1876. "Robinson, John Jan 18, 1876." *George Edward Davenport correspondence* –.
