Prof. A. Gray

My Dear Sir

This day, or Monday, our  
plate printer Mr. Lewis will send you by Adams  
express, one set of all the Engraved botanical  
plates, I have hurried them as much as I  
could, if I had been in Phil<sup>a</sup> I might have  
gotten them sent off a few days sooner -

I suppose Mr. Sprague has got some  
more drawings done. I have nothing  
new to inform you of

Very truly yours
