

Dear Dr. Gray

Wash<sup>h</sup> - June 21<sup>st</sup>/55

Please find <sup>with</sup> this 24 proofs with their originals - and 8 proofs without originals the said 8 proofs are marked unfinished & the originals kept back to finish by

If you require the originals or drawings of the proofs you have had, please send me the names of the plants which are marked on each drawing - the numbers on the backs of the drawings will mislead -

What with the extra duties of reprinting and coloring the current copies, I sometimes feel tired of every thing, but we must "weather it out"

I am preparing the bills for the first of July

Yours truly

J. D. Drayton
