Dear Dr Gray -

I have recently came from Wash^g & have
been quite ill; I saw that your attch was not complet
I set to work at it, and found 7 plates not lettered, they are
in hands ^{except} ^{the} ^{Adams & pr} those which I have this day forwarded
to you, to put the lettering on, The coppers of the two
tracings, one is here not finished, the other is in
Georgetown, having the originals here, the shortest
way was to trace them & send them to you for the
lettering - I can have all done in a few days -
Direct the roller when you return it to me Phil^a

Yours very truly
