	Do. ....	Do.

## NOTE.

It will be seen that in the Society's collection there are no specimens of the genera belonging to the following families :—

Fam. II.—TORTRICIDÆ (Short tailed Earth Snakes).

„ VII.—XENOPELTIDÆ (Iridescent Earth Snakes).

„ X.—AMBLYCEPHALIDÆ (Blunt-headed Snakes).

XIV.—DENDROPHIDÆ (Tree Snakes).

XVII.—PSAMMOPHIDÆ (Desert Snakes).

Up-country members who are willing to assist the Collection, can have jars, containing spirits of wine, sent to them on application.

H. M. PHIPSON,  
*Honorary Secretary,*  
REPTILE SECTION.

## PROCEEDINGS OF THE SOCIETY DURING THE QUARTER.

THE usual monthly meeting of this Society was held on Tuesday evening, 5th January, in the rooms at 6, Apollo Street. There was a large attendance of members. Dr. Macdonald having taken the chair, the minutes of the last meeting were read.

The following new members were then elected :—Lieutenant-Colonel Rowlandson, Captain Gerald Martin, Captain E. F. Marriott, Surgeon Horace Yeld, Miss E. Rich, Khansaheb Dinshahjee Dosabhai Khambatta, Rao Bahadoor Ragoonath Mahadev Kelkar, the Rev. Mr. Alexander, Messrs. W. M. Macaulay, A. C. Parmenides, Anthony Morrison, H. W. Jones and W. W. Squire.

The additions made to the Society's collections since last meeting were reported, as detailed below.

The Secretary reported that His Excellency Lord Reay had accepted the office of President of the Society. He also reported that he had been very successful at the auction of books mentioned at last meeting, having secured 13 separate works on Natural History, most of them rare and of great value.

Phipson, H M. 1886. "Catalogue of snakes in the Society's collection." *The journal of the Bombay Natural History Society* 1, 84–86.
